A modern interior scene featuring two lounge chairs. The chair on the left has a light wood frame, a high backrest, and dark brown leather upholstery. The chair on the right has a light wood frame, a high backrest, and blue fabric upholstery. A small, round, black metal side table is positioned next to the blue chair. The floor is covered in a grey carpet with a subtle, repeating geometric pattern. The background consists of a light grey concrete wall with a large window or glass partition. The lighting is soft and even, highlighting the textures of the furniture and the carpet.
