

ELEMENT

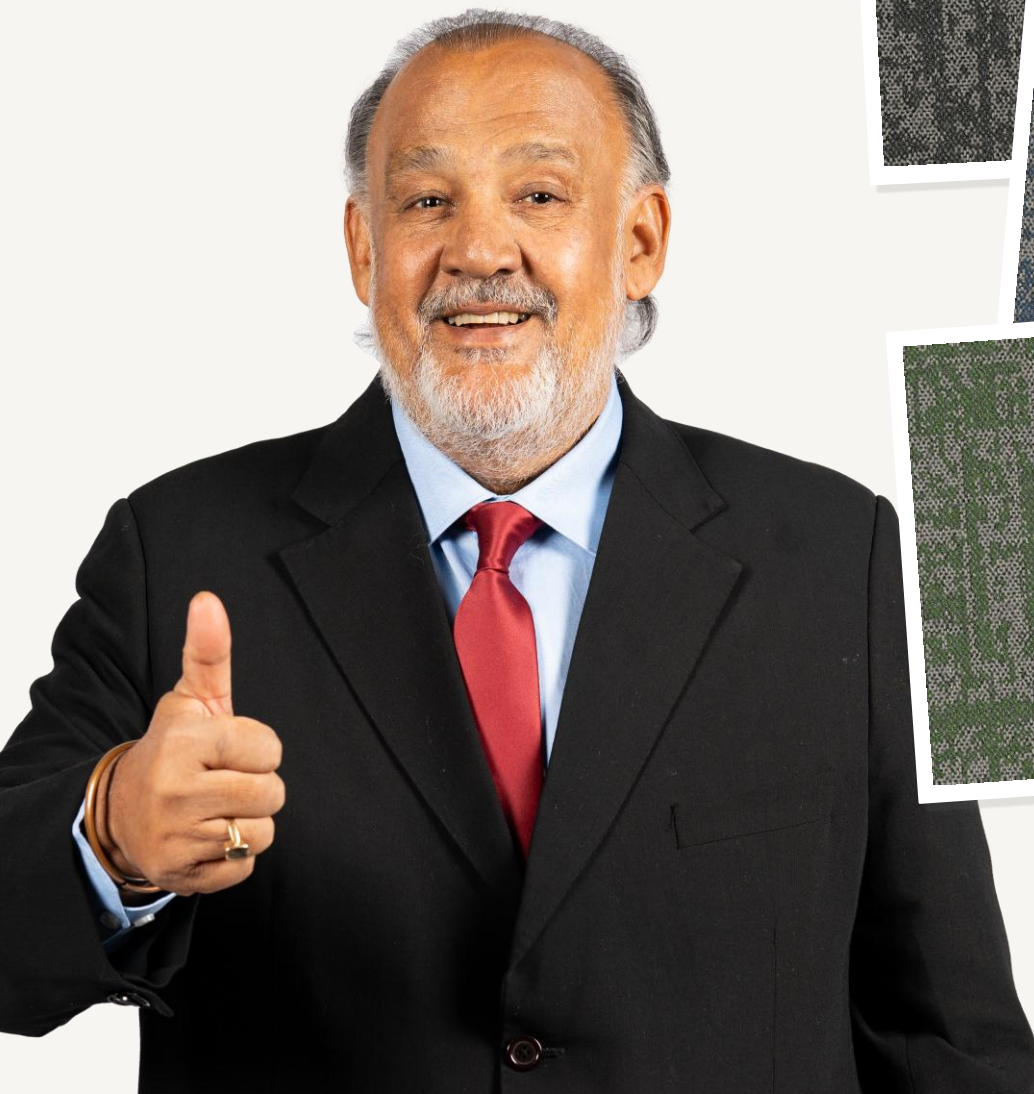

HEAVY DUTY CARPET TILE

A QUIET RHYTHM FOR ACTIVE SPACES.

ELEMENT uses a softened, layered pattern to give commercial interiors visual depth without visual noise. Its modular format opens the door to focused layouts, subtle zoning and easy future refreshes.

Designed for

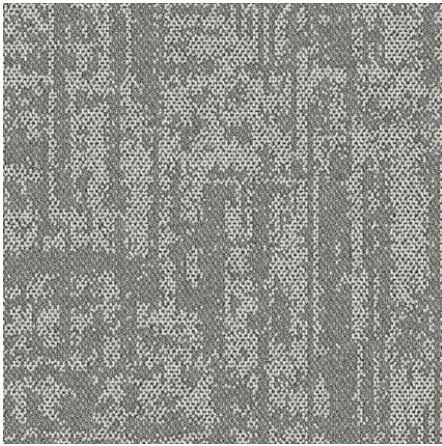

- Open-plan offices
- Corridors & breakout zones
- Executive workspaces
- Retail & institutional interiors

COLOUR PALETTE

FIVE TONES. ONE ELEMENTAL LANGUAGE.

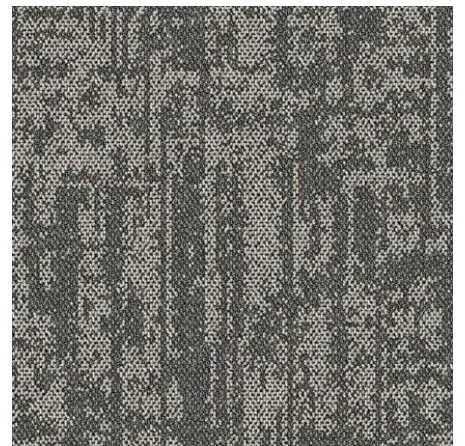

From gentle neutrals to cool, expressive accents, the palette is built to move easily across work, hospitality and public environments.

21525 - GREEN

A wide-angle photograph of a modern conference room. A large, rectangular wooden conference table is the central focus, surrounded by numerous leather-upholstered office chairs on casters. The room features a patterned carpet in shades of blue and grey. In the background, there is a large glass wall reflecting the interior, and a wall with vertical light strips and a large blackboard. The ceiling has recessed lighting.

INSTALLATION OF
21523 DARK GREY & 21524 BLUE

A modern office interior featuring a long, dark wood table with a thick top and a dark base. Several high chairs with light-colored upholstered seats and black metal frames are arranged around the table. A large potted plant sits on the table. The floor is covered in a grey and brown patterned carpet. In the background, there is a large window and a wall-mounted television.

INSTALLATION OF
21521 GREY & 21522 BROWN

IMAGES ARE FOR VISUAL PRESENTATION ONLY . COLOUR MAY SLIGHTLY DIFFER FROM ACTUAL SAMPLE.

INSTALLATION OF
21523 DARK GREY & 21525 GREEN

BUILT FOR THE WORKING DAY.

ELEMENT translates HEGO's carpet-tile performance language into a compact, modular surface designed for demanding commercial settings.

01 Solution-dyed PP

Colour is integrated into the fibre for lasting visual consistency.

02 Heavy-duty performance

Developed for high-use commercial and institutional environments.

03 Comfort & acoustics

Textile structure helps soften footfall and improve spatial comfort.

04 Easy care

Modular tiles simplify maintenance and selective replacement.

05 Design freedom

Mix directions and tones to create zoning, rhythm and movement.

06 Low-waste installation

Modular formats help reduce cutting and on-site material waste.
