

HEAVY DUTY 50X100

WORKSPACE

DESIGNER CARPET PLANK

01 / COLLECTION

A WIDER PLANK FOR LARGER SPACES.

WORKSPACE is a speciality carpet tile in plank format. Its 50 x 100 cm scale gives commercial floors a cleaner direction, stronger visual flow and a more architectural finish than standard square tiles.

DESIGNED FOR

Executive cabins
Conference rooms
Corridors and passages
Workstations and collaboration zones

THE PLANK ADVANTAGE

A 50 x 100 cm format creates a linear floor rhythm, making spaces look longer, calmer and more premium.

02 / SPECIALITY FORMAT

50 x 100 CM Carpet Plank.

WORKSPACE is made for projects where the floor needs both discipline and design energy.

Larger plank scale

Fewer visual breaks than square tiles

Directional look

Useful for corridors and work zones

Mixable colours

Create soft zoning across the floor

Easy replacement

Modular format supports maintenance

The image shows a contemporary interior space, likely a lounge or cafe. The floor is covered with a carpet featuring a geometric pattern of interlocking hexagons in two shades of grey. In the foreground, there are wooden tables and chairs. To the right, there are more chairs, some with light-colored upholstery. In the background, there is a bar area with a dark counter and shelves displaying various items. The lighting is warm and ambient.

A modern office environment featuring long wooden desks with thick, natural wood tops. The desks are supported by white, modular cabinet units. Several computer monitors, keyboards, and office chairs are arranged along the desks. The floor is covered in a grey carpet with a subtle, repeating geometric pattern. The lighting is bright and even, highlighting the textures of the wood and the pattern of the carpet.
